

Environment & Social Planning

CORPORATE PROFILE

Phoenix Associates was founded on 22nd September, 2003 and registered with the Corporate Affairs Commission of Nigeria on 27th July, 2005 with the key objective to providing engineering solutions using cutting edge know-how and technologies.

It is a leading Nigerian engineering firm involved in engineering studies, analysis, designs and management of projects. The areas of specialty are Institutional/Residential Buildings, Steel/Concrete structures, Waste to Wealth Projects, Environmental Management, Traffic Studies, Highways, Railways, Urban/Regional Development, Geotechnical services (investigation, testing and reporting), Canalization, Jetties, Water Supply, Irrigation and Erosion Control/Management.

Our sister company (Silan Smarthouse Limited) is involved in prefabricated light steel smart and affordable real estate development for public and private bodies.

Phoenix Associates is **COREN** registered, managed by highly skilled, experienced and dedicated professionals registered with sundry professional bodies like Council for the Regulation of Engineering in Nigeria (COREN), Architects Registration Council of Nigeria (ARCON), Surveyors Council of Nigeria (SURCON), etc

Phoenix Associates in 2007 veered into software installation, training and technical support to bridge the gap in engineering software application in Nigeria.

Phoenix Associates' partnership with **Graitec** emphasizes training, service and support to meet our clients' needs in an efficient and cost-effective manner.

Environment & Social Planning

Successful projects require environmentally sound designing and socially acceptable implementation – an area to which we continue to contribute regularly as with our other areas of Endeavour. Like other areas of its expertise, Phoenix Associates has been able to maintain itself in the forefront of consulting services by becoming a generator or new ideas, methods and techniques for social and environmental assessments. Phoenix Associates has carried out detailed in environmental, ecological and socio-economic issues to be addressed at various stages of projects from identifying strategic options to monitoring and beyond, the regulatory requirements of the Funding Agencies guidelines like The World Bank, The Central Bank of Nigeria, Bank of Industries Ltd., etc. for Environmental and Social assessments in development projects.
